Interesting facts about AFI's 100 Years.....100 Thrills

- The 100 films span from Harold Lloyd's SAFETY LAST, released in 1923 to THE MATRIX and SIXTH SENSE.
- Harrison Ford and Claude Rains are the most celebrated actors, each starring in four films in the top 100. Ford's films are BLADE RUNNER, THE FUTURE, RAIDERS OF THE LOST ARK and STAR WARS. Rain stars in THE ADVENTURES OF ROBIN HOOD, LAWRENCE OF ARABIA, NOTORIOUS and CASABLANCA.
- Nine Alfred Hitchcock films made the list, including the film ranked # 1 PSYCHO, making him the most represented director. Hitchcock's frequent cameos technically make him the most represented actor on the list with eight appearances, including every film except DIAL M FOR MURDER, in which he appears in a photograph on the wall.
- Steven Spielberg directed six films on the list, two of which placed in the top ten. Stanley Kubrick directed five of America's most heart-pounding movies.
- With 22 films, the 1970s claim the most heart-pounding movies in the AFI countdown. The 1960s boast 21 movies on the list, while the 1980s and the 1940s each have 14.
- Jim Cameron's TERMINATOR 2: JUDGEMENT DAY is the only movie sequel on the AFI list.
- Thrills that cross generations include John Huston and his father, actor Walter Huston appear together in THE TREASURE OF THE SIERRA MADRE. Director Alfred Hitchcock and his daughter, actress Pat Hitchcock worked together in STRANGERS ON A TRAIN and PSYCHO. Actress Janet Leigh (PSYCHO, TOUCH OF EVIL, THE MANCHURIAN CANDIDATE) and her daughter, Jamie Lee Curtis (HALLOWEEN) appear in separate films on the AFI list.
