

From the login screen to SciFinder Scholar:

By clicking the Accept button below, I hereby agree to all the terms and conditions set forth in this license agreement.

- 1) I am a current faculty or administrative staff member, or officially registered student of the University;
- 2) I will use SciFinder Scholar only for my own academic research done in the course of pursuing my degree, or in instructing my students, or, in the course of my own research funded by the government or a non-profit foundation and intended for publication in the publicly available literature;
- 3) I will NOT use SciFinder Scholar for commercial research; for example, research that is done under a funding or consultant contract where the results are delivered to a for-profit organization, or for research that involves patentability searching. If I require SciFinder for commercial purposes, I will have the search done using a commercial account by contacting the librarian responsible for chemistry searches on campus, by contacting CAS and having them perform a search for me, or by acquiring and using the commercial SciFinder product;
- 4) I will use my search results in the ordinary course of academic research and acknowledge that I may store search results in electronic form for the duration of research projects, provided that at any one time, I store no more than 5,000 records. I may share search results in a limited, reasonable way with other University students or faculty working on the same project, but I will not aggregate my electronic search results with those of anyone else. I will delete stored records when I no longer need them for the relevant research project, or after the completion of my degree program, whichever occurs first. If I need to use search results beyond what is described here, I will contact my University Key Contact to discuss and to obtain CAS permission. I ACKNOWLEDGE THAT I AM NOT PERMITTED TO DISTRIBUTE ANY CAS DATA OR SCIFINDER SCHOLAR, FOR COMMERCIAL GAIN OR OTHERWISE, OUTSIDE THE UNIVERSITY OR TO THIRD PARTIES.
- 5) I acknowledge that the University has entered into a license agreement with CAS to provide me with access to SciFinder Scholar, and that violation of the license by any user could result in a termination of the license for all users.
- 6) I will contact the University's Key Contact with any questions related to the use of SciFinder Scholar. Added note – Virginia Tech users should contact Edward Lener, College Librarian for the Sciences, lener@vt.edu, 231-9249
