

University Libraries, Virginia Tech

Focus Group Questions

- 1) How would you compare the Virginia Tech Library system to your high school library experiences?
- 2) What do you remember about the "E-Literate" video and about the hands-on library session?
- 3) What did you think of the library assignment?
- 4) What were some of the problems you encountered while doing the assignment?
- 5) Have you been able, so far, in this class or other classes, to use the library information you received?
- 6) Does anything about the library still perplex you?
- 7) Would you be willing to do another focus group with us again a year from now?
