

Path to Electronic Journals

The VT Libraries can connect users to more than 8,000 full-text journals in electronic format

home research

Electronic Journals Search for Journals

Use this application to:

go directly to full-text
online journals

OR

determine what database provides full-text articles
from a journal.

Search by Keyword(s)

Enter one or more keywords in
the box below.

- Match Phrase
- Match Any
- Exact Match

Search

Reset

OR

Search by Subject

Select one or more subjects from the following pulldown menus
to search for electronic journals by subject. At present, this
option is **only** available for directly-linking full-text journals, **not** for titles with database
links.
